

Welcome to EnduroKA!

So you've taken the plunge, got your Race Licence, bought your KA ([or selected your arrive and drive team](#)) and are ready to race.

But where do you go from here? Here is a step by step guide into registering for EnduroKA:

Step 1: Create a login. The EnduroKA Registration System is where it all starts. Here you will create your team login, allowing you to enter and book races. Fill in your name, contact number, email address and create a memorable password for your team's entry.

The screenshot shows the MSVT EnduroKA Series registration interface. At the top left is the MSVT logo with the text 'MSVT EnduroKA Series'. Below the logo is a small box with instructions: 'Complete this form to create a login to the MSVT EnduroKA Entries System which will allow you to enter and book races.' The main form area has a blue header 'Create a login for the MSVT EnduroKA Entries system'. Below the header, it says 'Enter your details to create a login for your entry form. Please enter your name along with your contact details in case there is a problem with your entry.' The form contains six input fields: 'Forename:', 'Surname:', 'Contact Number:', 'Email:', 'Password:', and 'Confirm Password:'. At the bottom of the form is a blue button labeled 'Register now'.
